Also, be sure to review the Monthly Premium information. **Benefits and cost vary depending upon the Plan selected.**

Eligibility to Apply

To be eligible to apply, you must be an eligible AARP member, enrolled in both Part A and Part B of Medicare, and not duplicating any Medicare supplement coverage. In New York, there is ongoing Guaranteed Acceptance so Medicare supplement plans are guaranteed available.

Exclusions

- Care not meeting Medicare's standards.
- In no event will medical payments under your Plan duplicate any benefits provided under Workers' Compensation.
- Stays or treatment provided by a government-owned or -operated hospital or facility unless payment of charges is required by law.
- Stays, care, or visits for which no charge would be made to you in the absence of insurance.
- Stays occurring and/or care or supplies received during the first 6 months of coverage will not be covered, if they are caused by or result from a pre-existing condition. The following individuals are entitled to a waiver of this pre-existing condition exclusion:

1. Individuals who are turning age 65 and whose application form is received within six (6) months after they turn 65 AND are enrolled in Medicare Part B; or

You Cannot Be Singled Out for Cancellation

Your AARP Medicare Supplement Plan cannot be canceled because of your age, your health, or the number of claims you make. Your AARP Medicare Supplement Plan may be canceled due to nonpayment of premium or material misrepresentation. If the group policy terminates and is not replaced by another group policy providing the same type of coverage, you may convert your AARP Medicare Supplement Plan to an individual Medicare supplement policy issued by UnitedHealthcare. Of course, you may cancel your AARP Medicare Supplement Plan any time you wish. All transactions go into effect on the first of the month following receipt of the request.

The AARP Insurance Trust

AARP established the AARP Insurance Plan, a trust, to hold the master group insurance policies. The AARP Medicare Supplement Insurance Plan is insured by UnitedHealthcare, not by AARP or its affiliates. Please contact UnitedHealthcare if you have questions about your policy, including any limitations and exclusions.

Premiums are collected from you by the Trust. These premiums are paid to the insurance company for your insurance coverage, a percentage is used to pay expenses, benefitting the insureds, and incurred by the Trust in connection with the insurance programs. At the direction of UnitedHealthcare, a portion of the premium is paid as a royalty to AARP and used for the general purposes of AARP. Income earned from the investment of premiums while on deposit with the Trust is paid to AARP and used for the general purposes of AARP.

Participants are issued certificates of insurance by UnitedHealthcare under the master group insurance policy. The benefits of participating in an insurance program carrying the AARP name are solely the right to receive the insurance coverage and ancillary services provided by the program.

3 Your past and current coverage

Review the statements.

- You do not need more than one Medicare supplement policy.
- You may want to evaluate your existing health coverage and decide if you need multiple coverages.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare Supplement policy must be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. Upon receipt of timely notice, the issuer must either return to the certificate holder that portion of the premium attributable to the period of Medicaid eligibility, or provide coverage to the end of the term for which premiums were paid, at the option of the insured, subject to adjustment for paid claims. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid eligibility.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

If you lost or are losing other health insurance coverage and received a notice from your prior insurer saying you were eligible for guaranteed issue of a Medicare supplement insurance policy, or that you had certain rights to buy such a policy, you may be guaranteed acceptance in one or more of our Medicare supplement plans. Please include a copy of the notice from your prior insurer with your Application Form.

EMPLOYER-PROVIDED HEALTH BENEFIT ARRANGEMENT
UNITEDHEALTHCARE INSURANCE COMPANY OF NEW YORK**

Islandia, New York

Save this notice! It may be important to you in the future

According to the information you furnished, you intend to terminate existing accident and health insurance, health maintenance organization coverage or employer-provided health benefit coverage and replace it with a certificate to be issued by UnitedHealthcare Insurance Company of New York. Your new certificate will provide thirty (30) days within which you may decide without cost whether you desire to keep the certificate.

You should review this new coverage carefully. Compare it with all health coverage you now have and evaluate the need for existing coverage that may duplicate this certificate. Terminate your present coverage only if after due consideration, you find that purchase of this Medicare Supplement coverage is a wise decision.

Statement To Applicant By Issuer, Agent, Broker Or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, the replacement of insurance involved in this transaction (does)/(does not) duplicate coverage. The replacement policy is being purchased for one of the following reasons (check one):

1. Health conditions which you may presently have may be considered pre-existing conditions and may not be immediately or fully covered under the new certificate. This could result in denial or delay of a claim for benefits under the new certificate, whereas a similar claim might have been payable under your present coverage.
2. State regulation provides that in applying a pre-existing condition limitation, a Medicare Supplement issuer must credit the time the applicant was previously covered under creditable coverage (including Medicare Supplement insurance, Medicare Select coverage and Medicare Advantage plans) if the previous creditable coverage was continuous to a date not more than 63 days prior to the enrollment date of the new policy or certificate.
3. If you still wish to terminate your present policy and replace it with new coverage, review the application carefully before you sign it to be certain that all information has been properly recorded.

Do not cancel your present coverage until you have received your new certificate and are sure that you want to keep it.
